BOX HILL INDOOR SPORTS 9 CLARICE RD, BOX HILL PH: 98907000

[www.boxhillindoorsports.com.au](http://www.boxhillindoorsports.com.au)

Our Futsal/Soccer program follows the coaching curriculum of the **Concept4Football** technical program. The program has been devised by **Gwynne Berry** - former player with Crystal Palace FC and Academy Technical Coach at English Premier League Club West Ham United. The Curriculum has been devised to aid the technical improvement in Elite Players, but is now being delivered to grassroots as well.

Our Cricket program derives some of the principles and philosophies of the **Cricket Australia** coaching accreditation program. Children are provided with the skills and knowledge in an attempt to aid their development and improvement. The curriculum is taught in a confined space of an Indoor Cricket court which allows for continuous involvement in drills and a sharper skill set for both the indoor and outdoor game.
